

## **Playground.**

In September 2012 the South Portland Community added a playground to the Wainwright Complex. Funded through CIP and donation monies, the South Portland Parks crew installed the structure with help from Joel St. Pierre from O'Brien and Sons as the lead installer. A ribbon cutting ceremony for the playground took place on October 12<sup>th</sup>, 2012. The playground is comprised of several slides, monkey bars, and swings for families. Thanks to the generous donations, the playground now provides a safe place for community members to enjoy.
