## Healthy Lawn Care Made Simple Workshop

Grow a beautiful lawn without  
weed and bug killers and with less  
fertilizer.

Learn ways to grow a beautiful lawn that's safe for kids, pets, and the environment while saving money, time, and effort. Topics include how to correctly fertilize, control weeds and thatch, renovate unhealthy lawns, transition to organic care, and more. Whether you maintain your lawn or contract with professionals, round up your neighbors and join us.

Program teachings are compatible with the City of Portland's and City of South Portland's pesticide ordinances.
